ANNOUNCEMENTS

Ted Morton reported that the Senior Picnic held at Range Pond was a big hit and the starving seniors consumed everything. ☞ Young John Wallace, winner of the bicycle from the Bike Rodeo, was thrilled with his new toy (see photo below) He was so excited that he rode it around the room a few times. His steering needs a little work, however. ☞ The 4-person crew of Phil C., Arnold Weeks, Bill H. and Chris Longley put up the Kiwanis tent after Thursday's meeting for the Project Graduation burger and dog fest. The hardest part was digging the tent out from underneath the

accumulation of furniture and other materials in the storage trailer. Don Malpass organized but will not be able to attend. Four grillers have signed up including Diana McLaughlin, Bob Bizier, Bruce Croteau and former member Skip Herrick. ☞ You will have to live without happy/sad dollars this week. My notebook from the meeting has mysteriously disappeared, or at least I can't find it anywhere... ☞ Reminder that the July 1 meeting is a breakfast at the

South Paris Congregational Church. ☞ We're well into the key solicitation time for auction items and the June 30 deadline is rapidly approaching. ☞ The sign-up sheet for the pancake breakfast began circulating and Becky started handing out tickets. One of the big keys to success will pre-selling tickets for the July 11 event.

SPEAKER

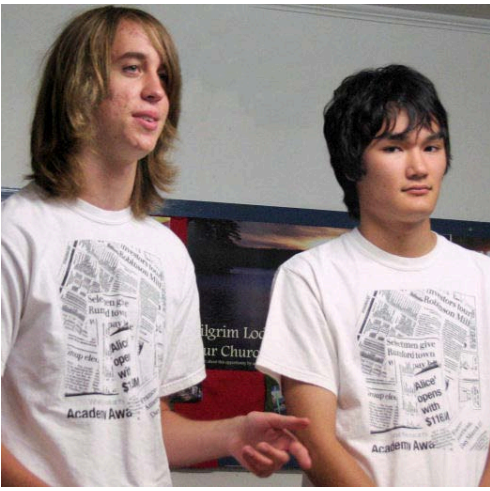

Oxford Hills seniors Phoenix McLaughlin and Alex Kumaki told us about their recent trip to Knoxville, TN for the national Destination ImagiNation Global competition, one of 16 teams from Maine. Other OHCHS teams members expected but unable to attend our lunch were Jess Riseman, Ricky Giffin, Sarah Burnham and Justin Aube. Destination ImagiNation is a creative problem solving organization for youth and adults from elementary school through college. Destination ImagiNation's educational goals are to foster creative and critical thinking, to develop teamwork, collaboration and leadership skills, and to nurture research and inquiry skills involving both creative exploration and attention to detail. Thanks to proud grandmother Mary Ann Brown for inviting the students to tell us about their experience.
